

## *Voiture 1379 Communiqué for February 2009*

As the Grande Spring Wreck and Cheminot draws near we are still in need of props for the WRECK. Gary Reno found a set of stairs a bravery test and a ball and chain. We are still in need of replica of the Tomb of the Unknown Soldier, surrounding the tomb should be a grouping of little white crosses.

If we are to do Spirit of Sergeant Younger we would need to make poppy field with a white cross with a helmet hanging from it. There is also a city hall scene with four caskets or casket ends. The more we work on the details the better the experience will be for everyone not only the P.Gs being wrecked. So those of you out there with some talent can get working on some props that would be wonderful.

The Grande Chef de Gare has also asked for a bugle we will need to borrow one for the day if it does not interfere with any funeral that day. If we cannot get a bugle we will need to get a boom box and a CD with TAPS to use for the WRECK

We will also be needing people to help out with registration table hospitality room, and the WRECK itself. So if you can help please contact Gary Reno and let him know.

If any one has anything they would like to donate for drawing or raffle prizes that would be a great addition as well.
